

Volunteer Information - Rock'n'Roll Half Marathon – Sunday 7th August 2016

Firstly, a massive thanks for giving up your time for the Club. Your commitment will generate a massive amount of money and the funds raised will go a long way in developing our Clubs facilities.

Key information for those who have volunteered:

Dunboyne AC will have two duties at the Rock'n'Roll Half Marathon and 10km:

1 - Baggage for the 10km and Half marathon race, both at the start (6:30am to 8:30am) and at the SEPARATE finish area's for the 10km (St. Mary's / Islandbridge Entrance to the Park) and Half Marathon (Chesterfield Avenue/Furze Road) finish.

Club contacts at baggage area at the start and finish area are Paul Gannon (085-7198429) and Jack Holian.

2 - 10 x stewarding positions close to the baggage area at the start of the race. These stewards will then join the Half Marathon finish area baggage crew.

The lead on the 10 x steward's duty is Sean Kinnane (087-0569070). The 10 stewards working with Sean will be assigned on the morning of the race. There are a number of junctions to be manned and a small bit of coning and barrier work.

Key information for those who have volunteered and are assigned to the baggage area at the start near the 3 Arena and 2 x finish area's in the Phoenix Park :

When and where?

Please be at the baggage area near the 3Arena at 6:30am. This is most important; everything else will fall into place once we're there on time. The baggage area will be signposted from all approaches to the start. You'll spot the Dunboyne AC crew there.

Once you arrive we'll note your attendance, give you a high viz, souvenir t-shirt, goody bag and a note with numbers to contact in case of emergencies.

What will we be doing?

Dunboyne AC have been allocated the task of receiving baggage from the 10,000 race participants at the start area at the 3Arena. There will be a high volume of

bags to be handled so it's key that we're all in place on time.

Please note that these bags will contain the clothes, valuables etc. of those runners participating; please treat them with care and attention.

Note, runners in the 10km and Half Marathon will be using different luggage trucks.

Once the baggage has been loaded onto trucks and the race started at 8:30am we head for the Phoenix Park. Note – 10 people will be assigned to the 2 x baggage trucks catering for the 10km race. **These 10 volunteers will have to take the bus provided as road closures are in place and our volunteers will have to be in place by 9am. Ideally these people will not have their cars in town.**

The remaining volunteers can take the bus provided to Chesterfield Avenue or they can drive there and park up. Please note that it's likely that a lot of the Phoenix Park will be closed to traffic. Taking the N3 out of town via Gardiner St., Big Tree and Cabra is probably best to avoid the race route, and please park somewhere that is suitable for gaining access by foot to the finish line / baggage area where we will be stationed, which is near the roundabout on Chesterfield Ave. / Furze Road. The car park at the Hole in the Wall may suit, or near the Castleknock Gate of Chesterfield Ave. There's a new 3k fun run on in the park that morning with 1,500 participants this year so the area will be significantly busier than past years.

The map showing the two finish area's in the Phoenix Park is here - <http://www.runrocknroll.com/dublin/the-races/course/>

At the Phoenix Park we will be distributing the baggage back to participants the first of whom will start coming in shortly after 9:30am, the last around 1:00pm, so please don't delay in getting to the Park if you are driving!

How do we get there and how will we get home?

With regard to transport we suggest car-pooling, either at the Park, or at Dunboyne AC. A list of volunteers (not fully up to date – we're still filling positions!) is below. Please coordinate travel amongst you and if there is any free spaces in your car or if you need a spin into town just comment on Facebook or at the Club tonight and we'll get everyone in. Nobody will be left behind!

Parking...

There are a number of early morning and 24 hour options for parking available in the area, listed <http://www.dublindocklands.ie/Parking> - please plan parking well in advance of your journey. The Club will recoup the cost of parking for anyone, please retain your receipt and bring to the Club next week.

High Viz

Please return your high viz to Paul Gannon afterwards.

Other

We'll try to get a text out to all members on Friday/Saturday to draw their attention to these arrangements should they not see it on Facebook or on the website.

Keep an eye on the weather; its due to be between 12-18C but best to be prepared for all eventualities. Give the runners some encouragement and keep a special eye out for the 30 or so our own crew running the race.

If any issues arise on the day, which they invariably will, notify either or Paul Gannon (085-7198429), Paul Gorey (087-6181206), Sean Kinnane (087-0569070) or Jack Holian who will then liaise with the appropriate race organisers, Gardaí, Medical Staff etc. in order to rectify them. There's a massive support structure surrounding the race and all eventualities can be dealt with easily.

Once again folks, we'd like to thank you for giving your time so generously.

Volunteers List as of Thursday 4th August – still places to fill

Paul Gannon	085-7198429
Paul Gorey	087-6181206
